

Your best asset in payroll management

Dear Client, Prospect or Business Partner;

Thank you very much for visiting Ace Payroll Services Inc.

Incorporated in 1994, Ace has grown to become one of the top regional payroll processing companies across the country. Over all the years that we have been in business, we have continually invested in the latest technology and training to bring our clients the highest level of service possible.

Our sustainability and industry high retention rate, 98% is a testament to our front-line knowledgeable and highly flexible approach to customer service.

Our cohesive team is always prepared to service you.

Founded by two public accountants, Ace has implemented high levels of control procedures. On a consistent basis, Ace undergoes a formal audit by independent accountants on our control procedures which culminates with the issuance of report SSAE 16, Reporting on Controls at a Service Organization which is the standard set up by the American Institute of Certified Public Accountants.

Education of our team, your day to day consultants, is also a primary focus for us. Ace Payroll's Customer Service Representative's possess the Fundamental Payroll Certification (FPC) from the American Payroll Association. This certification requires 60 credits of continuing education every three years. Ace's Payroll Tax Department is managed by an accountant who maintains both his certified payroll professional designation from the American Payroll Association that requires 120 hours of continuing education every 5 years and his Enrolled Agent designation from the IRS which requires 72 Credits of continuing education every 3 years.

Ace promotes full transparency by reminding their clients quarterly of their responsibility and their ability to visit the IRS EFTPS website to view and confirm their payroll tax payments.

We invite you to visit our operations to learn more about Ace Payroll or feel free to contact me directly.

Sincerely,
